As a third-year B.Tech student specializing in Computer Science and Engineering at New LJ Institute of Engineering and Technology, I bring a strong foundation in computer science principles coupled with a passion for web development. My academic journey has equipped me with comprehensive technical skills, including proficiency in languages such as HTML, CSS, JavaScript, and frameworks like React and Node.js. I am eager to gain hands-on experience as a fresher and contribute to dynamic projects in a professional setting.

EDUCATION

B.Tech, Computer Science Sep 2021 - Jun 2025 (Expected)
NEW LJ INSTITUTE OF ENGINEERING AND TECHNOLOGY

Senior Secondary (XII), Science 2019 - 2021
H. B. Kapadia New High School, Memnagar (GSEB board)

Secondary (X) 2017 - 2019
H. B. Kapadia New High School, Memnagar (GSEB board)

EXPERIENCE

Web Developer Intern Apr 2024 - May 2024
Topperworld
<https://github.com/kalp234>

During my internship at Topperworld, I created three web development projects: a Healthcare landing page, a personal portfolio, and a Flipkart clone. These projects, all built using HTML, CSS, JavaScript, and ReactJS, are fully responsive and showcase my ability to design and develop user-friendly web applications.

SKILLS

Expert in: HTML, CSS, Responsive Web Design

Intermediate in: Javascript, ReactJS, Java, Python
